Re: MB Docket No. 03-15
KEVN, Inc.
KIVV-TV/DT, Lead, South Dakota, Facility ID No. 34348
Notification by Satellite Licensee of its Intent to Activate Full Digital
Facilities at the Conclusion of the Digital Transition

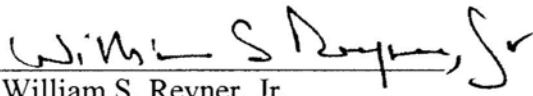

Dear Ms. Dortch:

KEVN, Inc., licensee of television satellite station KIVV-TV, NTSC channel 5 and DTV channel 29, Lead, South Dakota (the "Station"), pursuant to *Public Notice*, "DTV Channel Election Issues – Compliance with the July 1, 2006 Replication/Maximization Interference Protection Deadline; Stations Seeking Extension of the Deadline," DA 06-1255 (released June 14, 2006), at 5-6, hereby notifies the Commission of its intent to activate full digital facilities on its assigned DTV channel 29 at the conclusion of the digital transition. The Commission has stated that "satellite licensees are not subject to the July 1, 2006 interference protection deadline and are not required to seek a waiver of the deadline in order to retain their DTV interference protection." *Id.*

Kindly contact the undersigned if you have any questions about this submission.

Respectfully submitted,

KEVN, Inc.
